

A list of all surveyed properties in Corridor B3 is presented in Appendix C. The individual findings of eligibility are in Appendix B. Maps depicting the NRHP-listed Alternate Route 66, Wilmington to Joliet and the properties evaluated for NRHP eligibility are presented in Appendix A.

3.0 Survey and Research Personnel

Architectural historians who meet the Secretary of Interior’s Professional Qualifications Standards (36 CFR Part 61) completed the field investigations, historic context and property research, and prepared the determinations of NRHP eligibility in this report.

Table 3-1. Architectural Historians

Name	Qualification	Primary Responsibilities
